## Stay Tuned..

We be making an exciting announcement about a new KAM initiative at our next Members' Meeting on May 25th!

See you then!

### The Safe Travels Stamp Program

Developed by the World Travel and Tourism Council (WTTC), the #safetravels stamp is a symbol that informs and assures travelers that visitor destinations are implementing standardized health and hygiene protocols. In Ontario, this program is administered by the Tourism Industry Association of Ontario (TIAO) and participation is free. Kingston City Hall, PumpHouse, Kingston Destination Group and Fort Henry have received the stamp. We encourage all of our members to consider applying to the program. Application and training guidelines are available here:

<https://www.tiaontario.ca/cpages/safetravelstamp>.

Fort Henry explains why they applied: for the stamp: "[We] welcome guests from all over our province, country and the world... We decided to apply for the SafeTravel Stamp as a means of conveying to our guests that their health and safety is our first priority and they can feel comfortable visiting our attractions. In the future when international tourism returns, the stamp will be recognizable to our international guests allowing them to visit our attractions with confidence."
