**Ways to Know You:** KAM interacts with our members in many ways – virtual meetings, e-mails, committee work, outreach programming, collaborative marketing initiatives, and safe in-person contact. Many organizations have several staff and/or volunteers who contact KAM with questions, committee work, information sharing and networking queries. We want to have the most up-to-date contact information to get to you!

KAM would like to have the “who’s who” current and up-to-date contact information to best serve and share resources, events, and other relevant communication with our membership. Many organizations have several staff/volunteers involved with KAM on some level or is receiving or may wish to receive regular general communication.
