#### Extra! Extra! Read all about it! The KAM office is MOVING!

# Indeed, it's true! The KAM office is moving once again, but not too far - just upstairs!

Like other organizations, COVID-19 impacts have changed how we work, so we have decided to streamline our office and move into a smaller, more fit-for-purpose space.

We will be moving into our new unit (Suite 302) as of November 1st 2021. Our office telephone number remains the same.

Please ensure to update KAM's new business address in your contacts:

837 Princess St. **Suite 302** Westgate Square Kingston, ON, K7L 1G8 Tel: 613-507-4014

While you're at it, don't forget to update KAM staff contacts. We no longer use the gmail platform, but rather Office 365. Cheers!

The new KAM office will be open to the public by appointment only, Tuesday to Friday, 9 am -3pm.

## Marine Museum of the Great Lakes joins Sustainably Eco!

Sustainably Eco is a program and internationally recognized brand that identifies organizations who are committed to taking measureable action towards sustainability, and offers a variety of badges indicating different areas of committment. The Marine Museum is the first KAM member to participate, and we encourage all members to consider joining this initiative.

# For more information, visit: <u>https://www.sustainably.eco/#/how-it-works</u>

<u>Our 2021 Membership</u> <u>Benchmark survey is active!</u>

> <u>Submission Deadline:</u> 12 November 2021.

The data we collect helps us to understand and map the gaps, strengths and opportunities within our local cultural heritage sector, and how it changes over time. This helps us to advocate for and plan services for you, our members!
