

Get Involved – 2020

The Kingston Association of Museums, Art Galleries & Historic Sites, Inc., known to its members as KAM, continues to build on its long history (since 1980) as the umbrella organization of heritage and arts institutions in the Kingston region. From its grassroots, dedicated cultural professionals and volunteers have developed collaborative marketing and programming initiatives, hosted several Ontario Museum Association conferences, and advocates for the sector with our key stakeholders within all levels of government and private funding bodies.
