

Introduction to the First Nations Principles of OCAP (ownership, control, access, possession)

WITH TERRI-LYNN BRENNAN, INCLUSIVE VOICES INC.

In this session, you will learn about the First Nations principles of ownership, control, access, and possession – more commonly known as OCAP®, and why understanding these principles and their implementation is critical to cultural heritage work.

Please register to attend on the link below. KAM looks forward to learning best practices and sharing experiences.

Terri-Lynn Brennan, CEO, Inclusive Voices Inc.

I am a cultural planning and engagement professional with 30+ years of experience across the South Pacific, the UK, Europe, Egypt, Nepal, and North America. In 2017 I launched my own consulting firm after having held diverse roles in government and academic institutions as well as in for-profit and not-for-profit agencies. With a broad social science background with credentials in the areas of public policy, archaeology, sociology, and education, and now as the CEO of Inclusive Voices Incorporated, I continue to inspire societal systems to platform diverse voices and bodies inclusive of Indigenous, Black, People of Colour, 2SLGBTQQIA and differently-abled/disabled populations as leaders equitably able to sit at change-making board tables, dinner tables and café tables across the world, starting at home.
