# LODGEPOLE ARTS ALLIANCE

[www.lodgepolearts.ca](http://www.lodgepolearts.ca)

## About the LodgePole Arts Alliance

LodgePole Arts Alliance (LPAA) is a not-for-profit organization whose mandate is to build an Indigenous owned, operated, programmed, and animated land-based cultural creative center on the eastern edge of the Dish with One Spoon territories (Frontenac biosphere). This conceptual space will be inclusive, grounded in Eastern Woodland (Onkwe'honwe [Haudenosaunee] and Anishinaabe) cultural practices, knowledge and teachings, performances, exhibitions, and celebrations. This Indigenous-focused space will be the first of its kind in Canada on non-First Nation's treaty/territory lands.

During March of the Museums, LodgePole Arts Alliance will be visiting various participating sites with their activity, *Grow Your Own Indigenous Garden*, where visitors can make their very own Seed Balls!

# KAHWÁ:TSIRE INDIGENOUS-LED CHILD & FAMILY PROGRAMS

[www.facebook.com/Kahwatsire.EarlyON](https://www.facebook.com/Kahwatsire.EarlyON)

## About Kahwá:tsire Indigenous Programs

Kahwa:tsire Indigenous Led Child and Family Programs are geared to children 0-6 years of age. The purpose of this program is to incorporate Indigenous teachings from various languages and cultures, particularly off-reserve where these teachings and resources are less readily available. We also aim to share our knowledge with non-indigenous allies to help educate others and debunk stereotypes.

We believe that every Indigenous child has a right to access teachings and resources about their valuable and beautiful cultures and this program strives to close the gap by providing such to families so that they can raise healthy, strong, resilient children who have a very strong sense of their self-identities as Indigenous children and people.

During March of the Museums, Kahwá:tsire Indigenous Programs will be joining the Military Communications Museum for an Indigenous Language lessons, and the Great Lakes Museum for Songs and Stories!

# PUMPHOUSE MUSEUM

23 Ontario St. Kingston ON

## About the Museum

Within the historic grounds of one of Canada's earliest waterworks, the PumpHouse Museum is a testament to Kingston's rich heritage. Dating back to 1851, this remarkable site once powered steam-driven pumos that brought the marvel of running water to Kingston's residents. Today, it is one of only six preserved water pumping stations in North America.

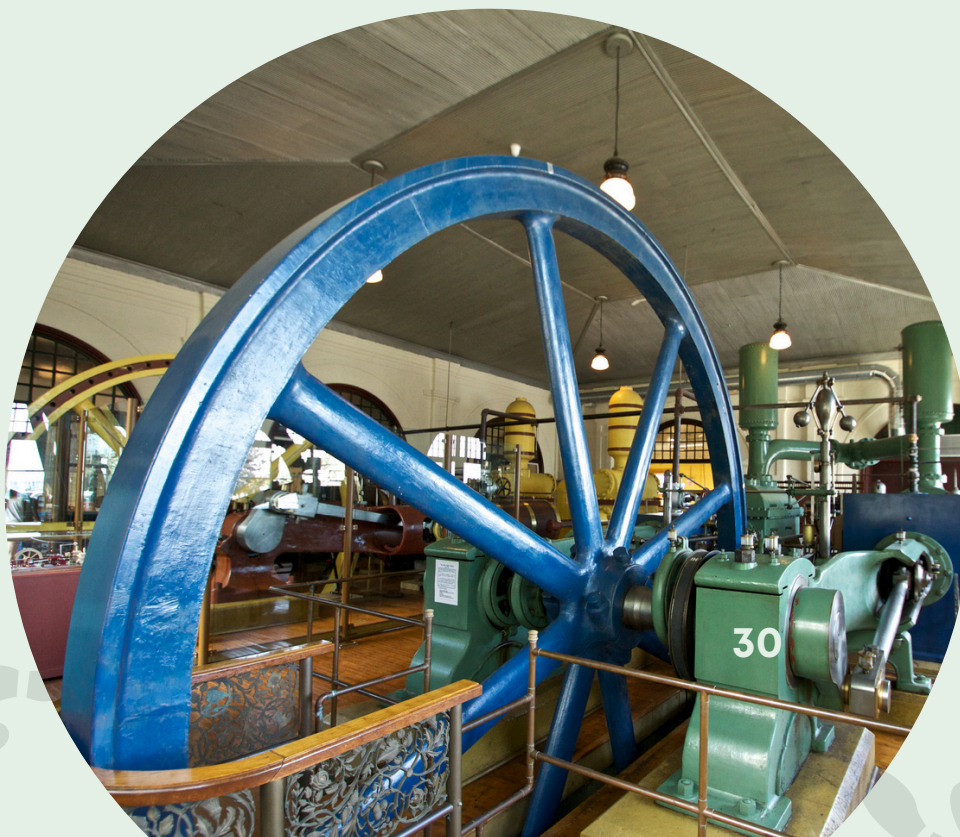

## Participating Days and Activities

**Wednesday March 12th, 2025**

**10:00am - 4:00pm**

Step back in time to discover how the Great Fire of 1840 shaped Kingston! Through an interactive map, participants will explore this historic blaze and how it 'sparked' changes in construction and water access.

This activity will be available during March of the Museums on Wednesday, March 12th from 10am to 4pm.

# HOW TO PARTICIPATE

## Finding the Green Ducks

Add an extra bit of fun to March of the Museums by finding all the Green Ducks!

There are **35 Green Ducks** hiding at all participating sites (that includes the sites outside of Kingston)! There are **a minimum of two green ducks hiding within each site**. When you find a Green Duck feel free to snap a picture and share it with us @kingstonmuseums and mark the site off on your map!

*How many can you find?*

## Finding the Golden Ducks

***Want more of a challenge?  
Find 10 Golden Ducks!***

There are a **total of fifteen Golden Ducks hidden among the participating sites.**

When you find a Golden Duck hidden at a site, take a picture and save it!

If you find ten Golden Ducks, *send the pictures to the Kingston & Area Association of Museums, Art Galleries + Historic Sites on Facebook* and let us know which sites you found them at.

Once you send your images to us, we will enter you in a Grand Prize Draw to win a Kingston Museum prize package that includes a \$100 Visa gift card!

**Please note - there will only be one submission per family.**

### ***Hint\****

There is more than one Golden Duck hidden at a Kingston museum.
