## Introduction

Kingston City Council has approved a total of \$149,348 for the project grant category. Two different project grant streams will be available for 2024-2025 grant cycle: the **Community Cultural Heritage Project Grant** and the **Cultural Heritage Development Grant**.

The **Cultural Heritage Development Grant** is a new funding stream that responds to identified thematic gaps or product readiness challenges within the cultural heritage sector in Kingston. A total of **\$50,000** is available for distribution within this new project stream.

The new Cultural Heritage Development Grants are open to organizations and sites that apply to and receive support through the Operating Grant category, as well as to community heritage organizations and groups more broadly.

For the CKHF 2024-2025 grant cycle, funding is available for two different thematic categories:

### **Theme #1: Indigenization, Equity, Diversity, Inclusion and Accessibility Program Development**

- This theme encourages programmatic and resource development in support of IIDEA principles and actions.

### **Theme #2: Placemaking in Kingston**

- This theme encourages local storytelling and projects that highlight the places that are significant to Kingstonians, including those outside the downtown area.

Organizations can apply up to a maximum of **\$5,000** to address a project within the parameters of either thematic category in the 2024-2025 grant cycle. Organizations are only permitted to apply for one Cultural Heritage Development grant in the 2024-2025 program cycle.

The Kingston & Area Association of Museums, Art Galleries, and Historic Sites (KAM), administers the grant program, using a juried peer-review process, subject to a Kingston City Council approved CKHF Administrative Plan.
