**kingston and area association of museums art galleries + historic sites**

**March of the Museums**

# Find the Ducks!

## How to Participate

### Finding the Green Ducks

Add an extra bit of fun to March of the Museums by finding all the Green Ducks!

There are **30 Green Ducks** hiding at all participating sites (that includes the sites outside of Kingston)! There are a minimum of two green ducks hiding within each site. When you find a Green Duck feel free to snap a picture and share it with us @kingstonmuseums and mark the site off on your map!

**How many can you find?**

**Hint\***

You'll have to visit all participating sites to find all the Green Ducks

### Finding the Golden Ducks

Want more of a challenge? Find Five Golden Ducks!

There are **a total of ten Golden Ducks, each with their own colourful gem, hidden at select participating sites.** When you find a Golden Duck hidden at a site, take a picture and save it! If you find five Golden Ducks (by visiting five participating sites), send the pictures to the Kingston & Area Association of Museums, Art Galleries + Historic Sites on Facebook and let us know which sites you found them at. **Once you send your images to us, we will enter you in a Grand Prize Draw to win a Kingston Museum prize package that includes a \$100 Visa gift card!**

*Please note - there will only be one submission per family, with a maximum of two entries.*

**Hint\***

The golden ducks can only be found in participating Kingston and Gananoque sites!
