

KAM Awards of Excellence Nominations 2026

Since KAM's inaugural meeting in 1980, our members have played a vital role not only in shaping the organization itself, but also in strengthening the Kingston and Area cultural heritage sector. Through their dedication, expertise, passion, and spirit of collegiality, they have embodied the belief that **we can do better together.**

The Kingston & Area cultural heritage sector is as diverse and vibrant as the people who support it. Over the years, countless community volunteers and cultural heritage professionals have contributed to KAM and the sector, each leaving a distinctive and lasting mark on the cultural heritage landscape. **These awards are intended to honour and celebrate those individuals and their enduring contributions.**

Please complete each section in full, and submit your completed nomination package to managing.director@kingstonmuseums.ca with "KAM Award Nominations 2026" in the subject line. **EXTENDED DEADLINE 03 April 2026.**
