## Introduction

The City of Kingston Heritage Fund (CKHF) Operating Grants provide support to Kingston's non-profit, cultural heritage organizations. The City of Kingston has approved \$309,125 in operating funds for the 2022-2023 CKHF grant cycle.

Two types of operating grants will be available in the 2022-2023 grant cycle:

- **Large Operating Grants**<sup>1</sup>, not to exceed \$75,000
- **Small Operating Grants**<sup>2</sup>, not to exceed \$5,000

The Kingston & Area Association of Museums, Art Galleries, and Historic Sites (KAM), administers the grant program, using a juried peer-review process, subject to a Kingston City Council approved CKHF Administrative Plan.

## Purpose

CKHF operating grants are intended to assist organizations with operational stability and enable development and delivery of cultural heritage programming and services in the community. Cultural heritage includes activities that present the traditions and historical practices of the community. Operating grants will support core operating expenses and programming costs, in line with CKHF objectives.

- (iv) heritage and culture are key to a vibrant community and are economic drivers for the local economy;
- (v) enhance Kingston's distinctive identity, enrich the cultural life of residents and attract newcomers, audiences and visitors from around the world;

<sup>1</sup> Formerly called Full Operating Grants

<sup>2</sup> Formerly called Investment Operating Grants

- (vi) build the creative experiences that are the basis of an authentic tourism strategy;
- (vii) embrace Kingston's powerful historical narrative, built heritage, and natural heritage features, as unique resources that can be used to tell Kingston's stories;

- (ix) support initiatives that align with the City's strategic objectives for promotion of heritage and cultural vitality.

### **Cultural Heritage Sector Objectives**

- (i) leverage municipal investment in museums, heritage projects, cultural groups and historical societies, to increase their profile, capacity, impact, relevance, and sustainability;
- (ii) encourage the development and creation of innovative cultural heritage programming and initiatives that promote cultural vitality;
- (iii) increase access to quality local cultural heritage activities;
- (iv) support and promote the preservation, protection, documentation and conservation of significant Kingston artifacts and archival materials;
- (v) develop the means of organizing, collecting, and interpreting Kingston's stories, both tangible and intangible, and engaging the community at all levels of the process;
- (vi) encourage collaboration with other orders of government, and the business and community sectors;
- (vii) seek professional development opportunities that benefit the cultural heritage sector, in collaboration with other stakeholders; and
- (viii) nurture the capacity and quality of heritage in Kingston, while fostering excellence.

### **Organization Eligibility**

To be eligible to apply for a CKHF Small Operating Grant, organizations must meet **all** the criteria listed below:

- (i) must be in the City of Kingston, with the majority of related activities of the organization taking place within the City of Kingston;

- (ii) be a non-profit organization, whose fundamental focus is cultural heritage (e.g. Collection, conservation, presentation, etc.) with a mandate to serve the public; and;
- (iii) provide current year-end financial statements. **(See Page 10: A Note on Financial Statements)**

### Exclusions from Eligibility

Normally, the following organizations will not be eligible for CKHF Operating Grants:

- (i) academic units of publicly or privately funded educational institutions (Universities, Colleges, training centres, etc....);
- (ii) organizations and activities outside the City of Kingston;
- (iii) for-profit organizations; and
- (iv) cultural heritage institutions that are wholly owned and operated by senior levels of government.
- (v) **A CKHF operating grant will not be awarded to an applicant that budgets on a deficit basis.**

Organizations currently receiving grant funding from the City of Kingston through sources other than CKHF are deemed ineligible to receive funding through CKHF for the duration of the grant agreement. In addition, City of Kingston Cultural Services and/or KAM permanent or contract staff may not hold a *primary role* with an organization applying to CKHF. A CKHF Operating Grant will not normally be awarded to an applicant that budgets on a deficit basis and/or successively operates on a deficit basis.

### Term of Operating Grants

CKHF Operating Grants will provide funding in single-year increments. Those organizations in receipt of a CKHF Full Operating Grant will be eligible to reapply in the following year. No grant will be made retroactively, or to fund deficits or shortfalls.

### A Note about Concurrent CKHF Operating and Project Grant Applications

Organizations awarded a CKHF Operating Grant (Large or Small) are **NOT** eligible to receive a Community Cultural Heritage Project Grant in the same year, **BUT** they are eligible to receive **ONE** Cultural Heritage Development Grant in addition to an Operating Grant (Large or Small).

The following grant combinations are possible:

- Large/Small Operating Grant plus Cultural Heritage Development Grant
- Community Cultural Heritage Project Grant plus one Cultural Heritage Development Grant

Organizations may submit applications to CKHF funding categories, on the understanding that should their application to the Operating Grant category be successful, their Community Cultural Heritage Project Grant application will automatically be removed from consideration (if the application to the Operating Grant is not successful, the Community Cultural Heritage Project Grant application will proceed for due consideration). In order to facilitate this consideration Operating Grants are adjudicated prior to Project Grants.

## Eligible Costs

The following expenses are deemed eligible for funding under the CKHF Operating Grant stream:

- (i) rent, lease, or mortgage and utility costs;
- (ii) financial management;
- (iii) staff salaries and wages;
- (iv) liability insurance;
- (v) office supplies;
- (vi) exhibit and program development costs;
- (vii) professional development costs; and
- (viii) property maintenance, security, and cleaning.

## Exclusions from Eligible Costs

CKHF Operating Grant funding may not be used for the following:

- (i) seed money for projects or events;
- (ii) major capital expenses including, but not restricted to: land purchase, facility renovations, fixed equipment;
- (iii) to benefit a for-profit venture;
- (iv) bursaries or scholarships;
- (i) deficit reduction; and
- (ii) built heritage preservation projects.

Additional materials will not be accepted once the submission deadline has passed, and applications will be assessed as submitted. After applications have been reviewed for eligibility, those eligible will be forwarded to the Grants Committee.

## Adjudication

The Grant Adjudication Committee will consider the degree to which the applicant organization demonstrates:

- (i) compatibility of the organization's objectives with those of the CKHF;
- (ii) that it fulfills a significant role in Kingston's cultural heritage;
- (iii) that it is operated by qualified cultural/heritage professionals and/or experienced volunteers;
- (iv) high standards in cultural heritage resource management;
- (v) delivery of diverse activities and/or services that interpret and convey the cultural heritage of Kingston;
- (vi) a commitment to the development and delivery of accessible activities and services; and

(vii) organization's strategic objectives are feasible and in alignment with mandate.

## Dispute Resolution

All complaints and concerns relating to the adjudication, guidelines and criteria for the allocation of CKHF funding, will be forwarded in writing to the Chair of the CKHF grant committees by the complainant, within thirty (30) days of notification of the allocation decision. The Chair will then forward a written report with respect to such complaints and concerns to the Chair of KAM's Board. The City of Kingston will be notified by KAM of all concerns and complaints received.

## Allocation

The Jury has discretion regarding the amounts awarded, but normally Small Operating Grants will not exceed \$5,000 annually.

Operating funding will be merit-based, allocated according to application score and proportionate to funds available.

The individual scores of each operating grant application will be aggregated into a single score, and a percentile ranking calculated. For example, if an application received a total of 376 points out of a total possible score of 450, this application would receive a percentile ranking of 84%, and the applicant would be initially allocated 91% of their requested grant amount. For example, if an applicant requested \$5000, they would be initially allocated an amount of \$4550.

However, if the amount of applicant requests/merit-based allocations exceed the total funds available, this initially allocated amount will be made proportionate to the total funds available. Using the example above, if the total available operating funds are \$254 080, the initial allocation of \$4117.78 would be made proportionate to this number, using the equation that follows:

**Total Amount of Funds Available x (percentile ranked allocation/total amount of percentile total ask ranked allocations)**

**OR**

**254,080 x (4117.78/328,207.51)**

The final allocated amount to this recipient would therefore be **\$3234.20**.

Should a grant recipient decline their operation grant, the remaining available funds will be disbursed proportionately the remaining operating grant recipients, up to the amount of their initial percentile ranking.

## Notification of Award

KAM will notify all CKHF grant recipients of the results by email. Successful applicants will also receive a digital grant package containing relevant documents.

CKHF recipients must agree to the Terms and Conditions of CKHF funding, sign the Operating Grant Agreement and provide proof of \$5,000,000 liability insurance in order to receive their CKHF grant cheque.
